

## FOR IMMEDIATE RELEASE

### EADS Announces Promotions:

**Aaron P. Keirn, P.E., Benjamin W. Faas, P.E.**

---

Aaron P. Keirn, P.E.

Benjamin W. Faas, P.E.

### **Altoona, PA (1/5/11)**

The EADS Group, Inc. (EADS), an engineering, architectural and design firm with multiple offices in western Pennsylvania and Maryland, is pleased to announce the advancement of two employees within the company.

**Aaron P. Keirn, P.E. Advances to Position of Affiliate.** Aaron has been with The EADS Group for nearly 19 years. He is currently a Senior Engineer in the firm's Municipal/Sanitary Department at the Altoona office.

**Benjamin W. Faas, P.E. Advances to the Position of Associate.** Ben has been with The EADS Group for 11 years. He currently manages the North Huntingdon Office.

Dennis Stidinger, President and CEO of The EADS Group notes "The positions of Associate and Affiliate are reserved for those individuals who have 'demonstrated a thorough knowledge of principals of their field of expertise; superior ability to organize, direct, and coordinate technical projects; integrity; initiative; resourcefulness; as well as the ability to accept responsibility.' These individuals have also demonstrated a willingness to invest in ownership of the company at prescribed levels."

The EADS Group, Inc. is a multi-disciplined engineering, architectural and design firm headquartered in Altoona, PA. The company has proudly served the region for over 50 years. EADS specializes in civil engineering, architecture, site development, highways, bridges, water & wastewater, surveying, mapping, planning, construction inspection and environmental services. EADS employs over 200 professionals at offices in Altoona, Somerset, Pittsburgh, Clarion & Johnstown, PA and Cumberland, Maryland.
