

## FOR IMMEDIATE RELEASE

### EADS Hires Construction Services Manager

---

Philip J. Rampulla

#### **Altoona, PA (10/24/11)**

The EADS Group, Inc. (EADS), an engineering, architectural and design firm, is pleased to announce the recent hiring of Philip J. Rampulla as Construction Services Manager at our Altoona location.

Philip joins The EADS Group with many years of experience in the construction management field. Previously, Philip worked for PennDOT in various capacities including Assistant to the District Construction Engineer, Construction Services Manager, Transportation Construction Manager, and Transportation Construction Inspector Supervisor.

In his new role with The EADS Group, Philip's responsibilities will involve overall management and supervision of the construction inspection department. He will be responsible for the preparation of Statements of Interest and ECMS technical and price proposals. He will also be responsible for the preparation and approval of inspectors' resumes, invoicing and tracking of budgets, development of personnel and project assignments.

The EADS Group, Inc. is a multi-disciplined engineering, architectural and design firm that has proudly served the region for over 50 years. EADS specializes in civil engineering, architecture, site development, highways, bridges, water and wastewater, surveying, mapping, planning, construction inspection and environmental services. EADS employs nearly 200 professionals at offices in Altoona, Somerset, Pittsburgh, Clarion & Johnstown, PA and Cumberland, Maryland.
